

## Kring Point gathering September 7, 2019

It is not too late to begin preparing to head to New York State's Thousand Islands, for our 17th annual international ham radio party. This gathering was started by our late friend, Tom-KC8QGJ, as a way to meet up with friends and fellow hams living along the mighty St. Lawrence Seaway.

From its humble beginnings, this party has grown to the point where we could not continue at the regular campsite. A few years ago it was decided to rent the large enclosed pavilion to ensure room for all, as well as protection from the beating sun or rain. Members from the various North American, Canadian and international ham radio nets,

**NEWSLETTER** September 2019

including the 7.272 Ragchew Net and the 160m "1721 Group", the Canadian 3.730 Net, Our up state Rooster Roster-the Seaway net and many others will have a ball.

Aside from the food and conversations, many will be showing off several different modes and equipment they will be operating.

If you love the Thousand Islands or have never been there, stop by for a full weekend. Quite possibly, once there, the beauty will take you in and you'll never want to leave.

We will be meeting up at Kring Point State Park around noon time so grab a pot to pass and c'mon up!

## Congratulations to the Sully's international Rooster Roster Net!

On September 20th our friends in the North Country, The Thousand Islands New York and Canada, will be celebrating their 10,000 net.

John, "SULLY" Sullivan, (N2NYJ-sk) started Sully's International Rooster Roster net on May 5, 1992 Sully, and has been going continuously, each morning, since.

Everyone is welcome to join in beginning at 7:30 am eastern time. As most of you reading this live far from the area, you can check in via echolink using the WA2NAN or AC2GE links. Load the echolink program into your computer or smart phone and enjoy a great mode of communication.

I serve as net control Tuesday mornings, so I hope to hear a few of the 7.272 Chewers welcome a new day.

73, Loby-WA2AXZ

### Volunteers Wanted!

If you would like to be one of our Net Control Stations on a regular schedule or occasional fill-in, please contact our net scheduler, Ken-W3XAF

## A note from your editor ...

Our monthly newsletter "THE CHEW", contains information about the activities and participants in the 7.272 Ragchew Net. We rely on contributions of stories and pictures from the members to keep all of us up to date, to impart information we can all use and, of course, to raise a smile and a chuckle or two. If you find a new "Taz" photo that can be used for future certificates and QSLs, that too is greatly appreciated. Without you, there is no Chew!

Please, e-mail your stories, tech info and photos to Loby at [wa2axz@arrl.net](mailto:wa2axz@arrl.net)

*Many Thanks!*

You can help out by making a small contribution that keeps the website on line as well as contending with the postage and background costs encountered during the year. Please, send your contribution to your Special Events Coordinator, WA2AXZ, today.
